| Article number | 04120.140.001 |
| Brand          | -             |
| UBB            | 950355042991  |
| UNSPSC         | 31161727      |
| EAN            | 8715492119520 |
| PKG. of 100    | Full Box Only |

### Technical Parameters

|                   |               |
|-------------------|---------------|
| Diameter          | M14           |
| Class             | 10            |
| Driving features  | Hexagon       |
| Material          | Steel         |
| Thread direction  | Right         |
| Surface treatment | Plain         |
| Thread            | Metric thread |

### Standards

|     |         |
|-----|---------|
| NF  | E25-401 |
| NEN | 1560    |
| DIN | 934     |

### Technical Specification

|     |     |
|-----|-----|
| d-D | M14 |
| m   | 11  |
| P   | 2   |
| s   | 22  |
