

Contact lock washer, medium NF E25-511 Spring steel Mechanical zinc plated with thick Cr(III) passivation M20

Article number	37282.200.001
Brand	-
UBB	500505601145
UNSPSC	31161801
EAN	8715494316828
PKG. of 100	Full Box Only

Technical Parameters

Diameter	M20
For nom. size	20mm
Material	Spring steel
Surface treatment	Zinc plated with thick Cr(III+) passivation
Type no.	medium

Standards

NF	E25-511
----	---------

Technical Specification

d1 (min.)	20.5
d2 (js 15)	40
h (max.)	4.9
s	3.2
