| PKG. of 1000   | Full Box Only |

### Technical Parameters

|                    |                                                                                      |
|--------------------|--------------------------------------------------------------------------------------|
| Diameter           | M2                                                                                   |
| Length             | 6 mm                                                                                 |
| Class              | 70                                                                                   |
| Driving features   | Hexagon                                                                              |
| Head shape         | Hexagon head                                                                         |
| Material           | Stainless steel                                                                      |
| Material technical | A4                                                                                   |
| Thread direction   | Right                                                                                |
| Thread             | Metric thread                                                                        |
| Info               | Sizes with a diameter M20 and sizes with a length 8xd are minimal property class 50. |

### Standards

|      |            |
|------|------------|
| ISO  | 4017       |
| ASME | B18.2.3.1M |
| NF   | E25-114    |
| DIN  | 933        |
| NEN  | 1568       |

### Technical Specification

|        |     |
|--------|-----|
| d-D    | M2  |
| k      | 1.4 |
| L (mm) | 6   |
| P      | 0.4 |
| s      | 4   |
