| PKG. of 10     | Full Box Only |

### Technical Parameters

|                    |                                                                                      |
|--------------------|--------------------------------------------------------------------------------------|
| Diameter           | M16                                                                                  |
| Length             | 140 mm                                                                               |
| Class              | Min.50                                                                               |
| Driving features   | Hexagon                                                                              |
| Head shape         | Hexagon head                                                                         |
| Material           | Stainless steel                                                                      |
| Material technical | A4                                                                                   |
| Thread direction   | Right                                                                                |
| Thread             | Metric thread                                                                        |
| Info               | Sizes with a diameter M20 and sizes with a length 8xd are minimal property class 50. |

### Standards

|      |            |
|------|------------|
| NEN  | 1568       |
| ISO  | 4017       |
| NF   | E25-114    |
| DIN  | 933        |
| ASME | B18.2.3.1M |

### Technical Specification

|        |     |
|--------|-----|
| d-D    | M16 |
| k      | 10  |
| L (mm) | 140 |
| P      | 2   |
| s      | 24  |
