

Parallel pin (dowel pin) DIN 7 m6 Stainless steel A4 1X6MM

Article number	55580.010.006
Brand	-
UBB	500633439384
UNSPSC	31163203
EAN	8715494602891
PKG. of 500	Full Box Only

Technical Parameters

Diameter	1 mm
Length	6 mm
d1 (m6)	1
Material	Stainless steel
Material technical	A4

Info

Parallel pins are designed for the fastening of two or more individual elements. A friction type connection can be achieved by the selection of suitable fits. If such connection is meant to be disconnected repeatedly, then it becomes preferable to use taper pins in accordance with DIN 1.d x L: The nominal length (L) does not include the rounded ends.

Standards

DIN	7
ISO	≈2338
BS	≈1804-2

Technical Specification

c (max.)	0.15
D (mm)	1
