

Protecting cap and -plug
Plastic Polyethylene
M14CAP

Article number	56783.140.000
Brand	-
UBB	950356575684
UNSPSC	31162806
EAN	8715492866899
PKG. of 250	Full Box Only

Technical Parameters

Material	Plastic
Material technical	Polyethylene
Info	The tapered design of these products allows them to be used as either a cap or a plug, providing easy fitting and removal in most applications, they provide excellent protection against damage, dirt, moisture and corrosion, during storage and transportation. When used as a plug dimension b should be min. 5% larger than the opening, diameters over 30 mm may require more interference. When used as a cap dimension c should be min. 5% less than the diameter to be capped, diameters over 30

Standards

mm may require
more interference.
