

## Spring-type straight pin slotted ASME ASME B18.8.2 Stainless spring steel SAE 51420 1/16X1/2

|               |                       |
|---------------|-----------------------|
| Číslo položky | U51428.006.0050       |
| Značka        | -                     |
| UBB           | 500626395189          |
| UNSPSC        | 31162400              |
| EAN           | 8712423096394         |
| PKG. of 100   | Len kompletne balenie |

### Technické parametre

|                    |                                      |
|--------------------|--------------------------------------|
| Dĺžka              | 1/2 Inch                             |
| A (nom.)           | 0.0625                               |
| Materiál           | Stainless spring steel               |
| Technický materiál | SAE 51420                            |
| Info               | V = minimum double shear load in lb. |

### Normy

|      |         |
|------|---------|
| ASME | B18.8.2 |
|------|---------|

### Technické špecifikácie

|          |       |
|----------|-------|
| A (max.) | 0.069 |
| B (max.) | 0.059 |
| C (ref.) | 0.028 |
| A (min.) | 0.066 |
| F        | 0.012 |
| V        | 430   |

### Technický náčrt
